Private Dining and Event Venues

Unlike any other establishment in the Triangle, Solas offers three levels of dining and entertainment. We can tailor your experience with us to fit your group's dining needs. We offer multiple styles of dinner service on premise from our main floor restaurant, our 2nd level, and our weatherized rooftop lounge. We can host groups ranging in size from 10-800 people. Not only are we equipped with expertise in hospitality and service, but we offer several menu options ranging in size and budget.

Ground Level

Our plush and private open-air patio is perfect for any event. Recently remodeled and weatherized, the patio offers seating for 50 guests and can host a social event of 150 year-round. The patio can also be segmented to offer private dining options to more intimate groups of 30 or less.

2nd Level

The 2nd level venue at Solas is equipped with state of the art technology for all of your audio-visual needs, and is the perfect setting for any event. The second floor hosts our famous glass-bottom dance floor, and is readily equipped for any entertainment need. Depending upon configurations, our 2nd level has seating capabilities for 150 or 250 for a social event.

Rooftop Level

Aside from a stunning view of Glenwood South, the rooftop offers plush private cabanas perfect for social events. No matter the weather or season, the rooftop offers three styles of coverage from our motorized awning; open sky, partial coverage, or complete coverage. Our rooftop can accommodate parties or receptions of varying sizes offering our Social Menu or Buffet options.
